Terry –

Your crew recently completed residing my home. I wanted to take a moment and send you this note to express my appreciation on the exceptional job they did. Your office staff, Ann and Nancy; your Project Manager Dave Brown; and the crew leaders Chris and John were all extraordinary. Each executed their job in a friendly, professional – and even innovative – manner.

I was particularly impressed with Chris and John's installation, as they made slight adjustments and enhancements as they worked further enhancing the look of our home beyond what might be considered "just installation".

Even the crew workers, through some of the hottest days, worked with dedication and accomplished an amazing amount given the weather.

My wife and I are elated with the new look of our home !

Given the final results, I would not hesitate to recommend your firm and James Hardie to anyone.

Sincerely,

Michael & Lois Kress
