Dear Terry,

Thank you so much for the quality siding job your company did for us this summer. We love the updated appearance of the cultured stone, Hardiplank and shingleside siding and we truly enjoyed the crew that did the work. All of your employees were neat, courteous, efficient and responsive to questions and changes.

The enclosed before and after photos really show a dramatic change...it looks like a brand new house! We would highly recommend your company to anyone considering new siding and would be happy to have them drive by if they want to see one of your job sites. Again, thanks for a job well done. It was a pleasure working with Twin Cities Siding.

Sincerely,

  
Marlyn and Cheryl Sjaarda
