Kristen,

I meant to do this earlier so please forgive the delay. Sue and I just wanted to express our appreciation for the quality of both the job and the people that worked on our house this summer. We absolutely love the porch. We have had nothing but compliments from our neighbors and friends and feel as though we have moved into a new house. Everyone that we had contact with from your company was courteous and professional. From day one of the project until it was completed, we never had a doubt that we had selected the right company to go with. We have given your name to several people and hope they will contact you sometime in the near future.

Feel free to come by some time.

Thanks again!

Steve
