Mr. Terry Stamman

I wanted to thank you for an all around exceptional completion of residing our house. It has been an honor to work with you and Nathan Gohl, Field Supervisor, because of your professionalism and honesty.

We take great pride in our house and your organization saw to it that the completion of the siding was carried out with great care and thoughtfulness. We are so please with our James Hardie Siding. The house looks beautiful. I can't say enough about the two crews, Mark Zeck's and Ed Albrecht's that completed our house. Their craftsmanship in accomplishing their tasks was exceptional. Their crew members were courteous and listening to all our concerns and making changes as necessary for our complete satisfaction. They all came on time every day and cleaned up every night before they left even though it was very cold at times. The neighbors even commented on their timeliness in the morning.

It has been our pleasure doing business with your organization.

Sincerely,

Frank and Cynthia Steel
