Twin Cities Siding Professionals
Adam Zimny

Dear Adam,

Just a quick note to thank you and your team for a job well done on our house. The siding and painting could not have gone smoother. As we have many other neighbors having similar work done on their houses, we had a very good comparison. Based on this comparison, we feel that the workmanship, dedication and thoroughness by you and your team were top notch. We could not have asked for a better crew, and felt like you were part of the family for a month of the summer.

We are very satisfied and will be passing on your companies name to other people in the neighborhood. We will not hesitate to recommend you to others that are looking for new siding or a paint job. Good luck to you and your company in the future.

Best Regards,

Jeff and Kathy Weigelt
